

Taking Education to New Heights!

August 2011

Dear Parents:

With the cuts in state funding for education this school year, Bernardo Heights Middle School is left with a further reduction in funds, including the money allocated to each classroom teacher.

In an effort to address this shortfall for campus supplies, we are asking families to consider making a one-time contribution to the Bernardo Heights Education Foundation (BHEF) through our "QUEST FOR QUARTERS" program. **If each family contributes just a quarter a day or \$45 per student, we would be able to provide adequate supplies for all students for this school year.**

Last year (2010-2011), the Foundation contributed over \$15,000 for classroom supplies, technology and equipment that your children use every day. In order to cover these classroom needs again this year, the Foundation needs your donations. The 2011-2012 school year is facing even more budget cuts, but our students and teachers still need the following for an effective place of learning:

- Copy Paper
- Printers, Printer cartridges
- Classroom furniture
- Online books and resources
- Lunch tables
- Science lab equipment and supplies
- P.E. equipment
- Many more items

There are other levels of contribution available, and any amount you give will be gladly accepted. You can be assured that your child will directly benefit from any contribution you make to Bernardo Heights Education Foundation.

Please complete the form below and return at registration or to the BHMS Administrative Office on campus. Remember to clip and keep the receipt provided for your tax records.

Thank you for your understanding and generosity.

Bernardo Heights
Education Foundation Board

YES, I want to contribute to my child's education at Bernardo Heights Middle School!

CHILD'S NAME _____ GRADE _____

PARENT NAME _____

ADDRESS _____
