

Taking Education to New Heights!

Bernardo Heights Middle School EDUCATION FOUNDATION

PO Box 28664 San Diego, CA 92198

May 2011

Dear Parents

I would like to thank you for supporting BHMS Education Foundation. Serving as your president for 2011-2012 school year; I have made it my commitment to continue with the goals of the Foundation Board to help make significant contributions to the Education of our students. I have had the opportunity to work with a dedicated group of volunteers who share the same commitment to help raise money to support Bernardo Heights Middle School. I have been a board member since 2007 and have served in several positions and each year it has been a rewarding experience to serve.

Our BHMS Families, Community Business Partners and School Staff have helped to make the fun raising events a success. The Quest for Quarters (formerly Dime a Day), the Grocery Card program, Boxtop program and the Bobcat-A-Thon fund raiser is a way to make donations that help provide supplies for all students throughout the school year. With the 2011-2012 school year budget cuts, our students and teachers will continue to need our donations to help maintain an effective and adequate learning environment. This year the Foundation has been able to assist with providing over \$15,000 for needed classroom supplies, technology and equipment that our children use daily. It is our ongoing mission and commitment to support our BHMS students and community.

Please visit the Foundation Website for additional information.

If you would like to get more involved with the Bernardo Heights Education Foundation or attend a meeting please contact me or any board member. Our meetings are held the first Tuesday of Every Month at 6:00 pm.

Mary Patterson

BHEF President
