

GROCERY SHOPPING? Help BHMS earn \$\$\$!

Every time you shop at Ralphs and Vons with your preferred or club card, you can help Bernardo Heights Middle School receive up to 4% of your grocery total! The money earned will be used by the Bernardo Heights Education Foundation (BHEF) to purchase campus supplies and fund campus improvements. With more participating families, our school could receive **\$1,000 or more per month** through this program!

****You must register your card(s) every year. ****
