Message from the President

Hello Highland Ranch Families.

We are off to a great start for our school year! Thank you for your continued support through your generous donations both financially and your volunteer time. We would not be able to provide all of the wonderful events at our school without the support of our families. We hope you have enjoyed the events we have had so far this year and will be joining us for all the other fun things we have planned later in the year.

Thank You!

Renee Wiggins PTA President
