

Lunch Expectations

It's as easy as pie to have a good lunch and get time to play!

Updated August 2010

**Follow the Character Pillars at
lunch. Be RESPECTFUL to the
yard supervisors...**

STOP, LOOK, & LISTEN

If an adult gives instructions:

- stop
- turn around politely
- look at them
- listen
- follow instructions

Eat your own lunch...

- If you are buying - take only what you plan to eat.
- Do not share food.
- Eat a healthy lunch and snack every day.
- Remember - if you are at the blue Peanut Free tables, you may have NO food with ANY kind of nuts.

Talk...Avoid Yelling

- ❖ Use appropriate **VOLUME** and **LANGUAGE**
- ❖ Keep voices down: other students are still in class.
You will only be excused to play when you are quiet and respectful.
- ❖ The lunch area is for eating - not playing.

Be RESPONSIBLE for your behavior and your things.

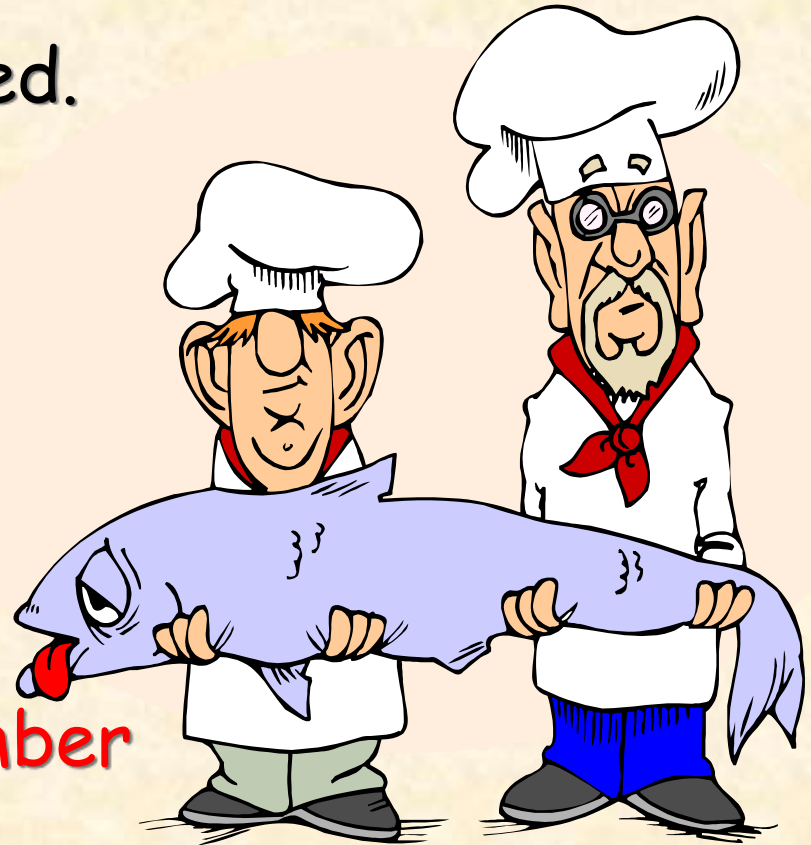

Behave in a sensible way so other people will trust you.

Put your lunchbox in the classroom buckets - make sure your name is on it.

Wait Your Turn in the Lunch Line

- ❑ Stay in line while waiting.
- ❑ Saving spaces is not allowed.
- ❑ Taking cuts is not allowed.
- ❑ Move to the lunch area once you get your food.
- ❑ Make sure you know your student identification number (18xxxx) to pay for lunch.

Keep ALL Food in Lunch Area

Food and drinks stay at the lunch tables

That Means **NO** Food in:

- Recess area (blacktop and fields)
- Hallways
- Restrooms

Clean Up Your Area

- ❖ Pick up trash from **TABLES**.
- ❖ Pick up trash from the **GROUND**.
- ❖ Put all trash in the trash cans - even if it is not yours
- ❖ You will be dismissed to play when your area is clean. Do not move to a new table to be dismissed earlier.

Keep Your Food OFF the Ground

- ✓ If you don't want a food item
 - ✓ don't take it or
 - ✓ throw it in the trash
- ✓ Keep food on the tables
- ✓ Food is for eating and absolutely nothing else. Throwing food is not acceptable. If you throw food you will have to do community service clean-up.

Stay In Designated Areas

- Play on the blacktop or the fields.
- Do not go behind or between the portable classrooms.
- Do not go to any classrooms or into the halls at lunch or recess.
- Walk to and from the playground and lunch tables. Remember to always walk on the "white" areas.

HAVE A GREAT LUNCH!

*Make it a great lunch
or not – the choice is
YOURS!*
