

Documentation Required for TLC - Beyond the Stream: United Streaming 201

(This is a 20 point TLC that requires 80 hours of work)

- Summary Reflection from each training session. (i.e. Day One: you may write about ideas from KQED you plan to use when introducing United Streaming Videos to your students next year. Or you may write about lesson ideas or features that would make a difference for student learning or address specific grade level standards)
- One assignment created in United Streaming (Summer)
- One student project created with United Streaming (voice-over or ?)
- One assignment using Google Earth, Timeliner, Inspiration, PowerPoint, Movie Maker or Pinnacle.
- Optional choice instead of the above: you may create a playlist that matches your grade level standards for use in the Curriculum Mapping Project and Descartes
- Course Evaluation
