NEW STUDENT ORIENTATION EVENTS

The staff of BMMS would like to help the 5th grade students and their parents reduce the anxiety associated with the move from elementary to middle school. The following events have been planned to ease the transition:

Elementary School Visits

Jason Schaffer and Kenya Bohn the Black Mountain Middle School counselors are in the process of planning our

visits to our feeder elementary schools. During the week of student representatives will meet with 5th graders from Rolling Hills, Los Penasquitos, Sunset Hills, Adobe Bluffs and Willow Grove and share their experiences of life as a middle school student. For any student who is absent a video will be posted on the BMMS website showing the highlights.
