

BMMS

NEW STUDENT ORIENTATION EVENTS

The staff of BMMS would like to help all 5th grade students and their parents experience a smooth transition from elementary to middle school by offering the following events:

Elementary School Visits

Jason Schafer and Kenya Bohn, Black Mountain Middle School counselors, are in the process of planning visits

to our feeder elementary schools. During the week student representatives will meet with 5th graders from Rolling Hills, Los Penasquitos, Sunset Hills, Adobe Bluffs and Willow Grove to share their experiences as a middle school student. For any student who is absent a video will be posted on the BMMS website showing highlights of the visit.

Principal Tours (Parents Only)

Principal David Hall will be conducting tours and hosting informal question and answer sessions.

Space is limited for these tours so please contact Monique Cordeau, 858-484-1300 x-3923 or mcordeau@powayusd.com to reserve a space.
