

MT CARMEL HIGH SCHOOL COUNSELING OFFICE

Introduces.....

NAVIANCE COLLEGE- FAMILY CONNECTION

*A college planning resource
for students and parents*

The Mount Carmel Counseling Office has selected Naviance Family Connection to assist us and our students in planning for college.

There are two main sections to explore:

COLLEGES TAB

College Visit Schedule

As college representatives schedule information sessions at MCHS, they will be posted online. Students will be able to sign up to attend the visit on this website.

Note: There are no college visits currently listed because they take place predominantly in the Fall.

Scholarships

This is a database comprised of local and national scholarships distributed to MCHS. The scholarship database will include a description of each scholarship, eligibility requirements, deadlines, contact information, along with a website, if available. Various local scholarships will require a paper application which will be made available in the Sun Center.

College Lookup

This research tool provides comprehensive information on thousands of colleges. In addition to general and admissions information, further data is presented on academics, cost and financial aid, student body characteristics, extracurricular and athletic programs. A link to each college's website is provided.

College Search

Enter criteria such as size, location, cost, availability of specific majors or athletic programs, and students can produce a list of colleges that meet their preferences.

Enrichment Programs

MCHS will post information received on enrichment program opportunities offered locally, nationally, and internationally.

Enrichment programs are excellent experiences to add to a resume. An enrichment program could be a summer writing seminar, leadership program, college course, etc. College courses taken for credit will need to be approved by your counselor.

ABOUT ME TAB

Resume

Students can keep track of their accomplishments and activities throughout their 4 years of high school using this feature. The Resume function automatically formats the resume and students can create multiple versions for their different resume needs. This will be extremely valuable when looking for internships, jobs, and applying to colleges.

HOW TO ACCESS THIS RESOURCE:

Website:

<http://connection.naviance.com/mtcarmelca>

On the right hand side under

"Are you new here?"

Click "I need to register"
