

MESA VERDE FOUNDATION ASKS...

HOW CAN YOU HELP OUR STUDENTS SOAR?

Welcome to an exciting new school year at Mesa Verde Middle School! Despite the continuing economic recession and devastating cuts to our school budget, the news from Mesa Verde is mostly good. Our test scores are outstanding, our students are active and involved, and our staff continues to teach creatively and efficiently. What makes this possible? In a word... YOU!

Last year, parents and friends donated over \$75,000 to Mesa Verde Foundation. That entire amount was spent during the school year, and it touched the lives of every student at our school in the following ways:

- New computers and printers that are used by students every day in every class
- \$500 school supply allowance for every classroom
- Generous allowance for new books in classroom libraries
- Impact teachers to minimize the negative effects of increased class size
- Funding for enrichment programs like drama, music, robotics, and more
- Facilities improvements and much-needed supplies for our P.E. program

Help us continue to make these middle school years the best they can be for your child! Your tax-deductible donations make a HUGE difference! Please fill out the form below, and return it with your check at Registration. The suggested donation is \$150 per family, but any amount you can give is helpful and greatly appreciated! This will be our only direct solicitation of the year. Your gift now will enable our students and teachers to start the year with everything they need to succeed!

Thank you for making your child's education a priority! We appreciate your generous support!
