Here is today's story reflecting our focus on the pillar: **BE TERRIFIC! (TRRFCC)**

Good Morning, Falcons! This is \_\_\_\_\_ with a few words of wisdom.

**This coming Monday, schools, businesses and government offices will be closed** in honor of Memorial Day, a day for remembering the brave men and women who have died in service to our nation.

Memorial Day used to be called Decoration Day because families and friends would visit the graves of fallen soldiers and decorate them with flowers and wreaths. That tradition continues today. Many towns and cities will also have parades honoring those who have died so that others can be free.

Now listen to these words from Saint Francis of Assisi (Us SEE see):

**Start by doing what's necessary, then what's possible and suddenly you are doing the impossible.**

Between now and Monday, it's important to spend a little time thinking about the fact that many men and women have given their lives so that the rest of us can

enjoy all the little freedoms we take for granted – like the freedom to choose where we live or how we will worship or what job we will have. In fact, take time today and make a list of five freedoms you enjoy because others have given the most precious gift of all, their lives.

Remember to live the Falcon Way, have a GREAT Memorial Day weekend and be Terrific (TRRFCC)!

With something to think about, this is \_\_\_\_\_. Make it a great day...or not. The choice is yours.

You are now invited to stand and recite the Pledge of Allegiance. Classes, may begin when you are ready.

**Students are at the heart of Oak Valley and meeting their needs is our first priority.**
