EARLY BIRD DISCOUNT – Sign up right away as the camps will each have a discount of \$10.00 for registrations before April 15th. Beginning on April 15th, the full price will be in effect. Please register by June 1 as that is the date when we'll have to decide which camps have enough students to "GO" this summer. You may register after June 1 for camps that are definitely going to take place and still have openings.
