---

The major event of the fifth grade is the **overnight field trip to the Star of India**. The cost of this event will be between \$65-\$75.00. You will receive information in the fall about sending in money for this field trip. Parents usually do a fundraiser to help defer the cost of the trip. If you are interested in leading a fundraiser, please contact the school office.

---

**NOTE: Although the school has basic supplies available, we know children prefer to have their own personal materials. The above is a list of items we suggest you donate for your child.**
