The first 20 PTA video gift card customers will receive a free Kung Fu Panda Activity CD. It's a win-win for everyone!

About PTA Video Store: The PTA video store is a safe online family-friendly entertainment website that carries reasonably priced G and PG rated movies as well as tv content. Want to learn more? Visit their website at www.ptavideostore.com

About PTA Video Store Gift Cards: Gift cards will be sold during the evening of November 14 and through November 19 in the front office after school or by making arrangements with Claudia Deney at claudiadeney@gmail.com. PTA gift cards are not limited to PTA members and they are a great holiday gift for everyone.

Family Movie Night is a family event and all children must attend *with* adult supervision. We are confident that the movie is appropriate family viewing, suitable for children and adults alike, however, it is rated PG for martial arts content (violence), brief schoolyard language and the sad (subtly portrayed) death of a villain. If you have any concerns about movie content, we urge you to research the movie further at [mom's review](#).

There will be a few raffles at the end of the movie, including the Kung Fu Panda DVD!

Come, support Turtleback and share some quality time with friends & family. It will be a great time for all and we hope to see you there!

Feel free to contact [Claudia Deney](#) with any further questions.
