

Valley Elementary School  
2011-12

Dear Students and Parents:

To all of our new students, welcome to Valley Elementary School. To our returning students, welcome back! We hope you have had a great summer. We're looking forward to learning and growing together this school year.

In an effort to help you take advantage of the summer sales on school supplies, here are the supply lists for all grades for the upcoming school year.

If possible, we would like you to bring the following items on the first day so that you will be organized and prepared to do beautiful work. If this is not possible, we will help provide the necessary supplies for you.

As always, it is appreciated if from time to time throughout the school year you would give a thought to helping us replenish the supplies, especially in light of the current state budget crunch. Every little bit helps!

Thanks, and we'll see you soon!!!

***"All donations are voluntary. A donation is not required to participate in any school activity."***
