

School Accountability Report Card

Reported Using Data from the 2010-11 School Year

Published During 2011-12

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2010-11)

This section provides information about the school, its programs and its goals.

Making good choices is the theme of the Character Counts message that begins each day at Canyon View Elementary School. We are dedicated to making Canyon View the place where all our students are educated to be lifelong learners who reach their full potential as productive members of our society. Our goal is to lay the foundation for all our students so they will move on to be successful in secondary school and graduate being prepared for college level coursework.

Located in Rancho Peñasquitos, a community of San Diego located approximately 20 minutes north of downtown, Canyon View Elementary School services students in grades K through 5. The school opened in 1987 to meet the needs of an ever-increasing community of single family homes and apartment complexes. With approximately 495 students, maximum class size in grades K-3 is twenty-eight students. Fourth and fifth grades currently average 33 students per class. Canyon View has a strong reputation for a nurturing yet challenging community dedicated to the education of our children. Families from a variety of ethnic backgrounds make up this community. Our English Language Learners program services 111 students who speak 33 different languages. Our goal is to assist our students in becoming fully proficient in English as they participate in academic activities. Our diverse background and cultural heritage add to the richness of our learning environment and strengthen our day to day curriculum.

Students receive instruction and participate in learning activities in a variety of curriculum and subject areas. There is an emphasis at all grade levels on development of literacy, communication, math computation and problem solving. We strive to meet the needs of each child through the collaborative efforts of parents, teachers, support staff and students. There are no invisible children at Canyon View.

The Canyon View staff is the heart and soul of the school. Students walking onto campus feel the energy and enthusiasm that supports their well-being and their success in all academic endeavors. Our staff is composed of teachers with diverse interests that benefit our students with a wide variety of teaching experiences.

Extended Student Services (ESS) provides onsite childcare from 6:30 a.m. until 6:00 p.m. for approximately 125 students. The Parent Teacher Association has over 375 members who log more than 10,000 volunteer hours per year.

Communication and collaboration thrives at Canyon View. Teacher newsletters, our weekly Howler, a Canyon View website, PTA and Foundation websites, teacher Learning Point sites and/or websites, ConnectEd messages, frequent flyers and our marquee represent the partnership that exists between parents, teachers and students. Our business partnerships continue to grow as we expand our capacity to provide a real world education. We are a vibrant learning community whose energy permeates all we do with an abundance of positive opportunities for all students. Learning doesn't happen in isolation, but as a result of all stakeholders working together. Our school is extraordinary because we are a hardworking, dedicated school community that has come together holding one vision – the education of all our students!

Mission Statement

Canyon View is dedicated to helping our children realize their full potential in order to become responsible productive citizens and lifelong learners. We are committed to working collaboratively with colleagues, students and parents to achieve this purpose.

Opportunities for Parental Involvement (School Year 2010-11)

This section provides information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement.

Canyon View recognizes the importance of the partnership between home and school and remains committed to supporting the Parents As Partners Core Value. Parents have been included in the improvement process and serve in an advisory capacity on committees. Canyon View's parent community is rich in resources in a multitude of ways. Our PTA and Foundation work collaboratively with staff to raise funds, sponsor family activities, provide enrichment and remedial support to our academic program, and foster a community of learning where all students will reach their potential. The following are examples of parent involvement at CVES. 1. PTA and Foundation focuses on supporting SPSA School-wide goals for improving student achievement through the coordinated funding of educational programs. 2. SSC reviews SPSA plan, makes recommendations, and approves.

They also approve any changes to the budget throughout the year. 3. PTA sponsors Kick-Off Ice Cream Social and Pancake Breakfast, monthly Family Lunch, Family Movie Nights, Family Literacy Night, a winter dance, Coyote Round-up, our yearly Talent Show, and Family Art Night with the goal to bring families together in a fun environment. 4. Parent/Teacher Conferences. 5. Parent Coaches for County Science Field Day. 6. Back to School Night. 7. Parent tutors and proctors for the Math Olympiad. 8. Parent participation on Field Trips is encouraged. 9. Parent/Teacher committee assists in maintaining a science room with standards based science activities and experiments for all grade levels. 10. Running Club in support of physical fitness. 11. Book Fair 12. Classroom support.

III. School Climate

School Safety Plan (School Year 2010-11)

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

Canyon View places strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for earthquakes, fire, lock down and bus evacuation are held. Maintenance staff work with a scheduled preventive program to offset costly repairs. The school has an up to date Asbestos Plan. Extended Student Services are available to students for before and after school childcare. We have a School Safety Patrol sponsored by the San Diego Police Department and Gatekeepers assist students on campus. Canyon View students are aware of behavior expectations as they are clearly stated in our handbook, which is distributed to all students and parents at the beginning of the year. We have incorporated the Six Pillars of Good Character throughout our school. Our rules are discussed in class, through behavior assemblies and communicated to parents, whose signatures are required in support of our policy. We have zero tolerance when it comes to violence and hateful language. Students receive "Character Adjustment Tickets" for minor infractions, while more serious behaviors warrant a referral to the principal. These strategies are presented in library presentations. Our Student Services Specialists present lessons in the classroom and also meet with students individually or in small groups to talk about social skills. Also, every morning on the intercom, a Project Wisdom message is read which helps the student make good choices. Our noon duties have attended inservices on helping students with conflict. Before and after school, we have a group of students who serve as Gatekeepers, reminding their classmates of appropriate behavior. One student from each classroom is honored once a month at a Character Counts assembly. Teachers, also, provide incentives to the students in the classroom.

Suspensions and Expulsions

Rate	School			District		
	2008-09	2009-10	2010-11	2008-09	2009-10	2010-11
Suspensions	0.19	0.61	1.40	2.97	3.06	3.08
Expulsions	0	0	0.20	0	0.09	0.26

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2011-12)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: 6/20/2011

The school district ensures that students attend clean and safe facilities. The district's maintenance staff follows a comprehensive scheduled preventive and deferred maintenance program to offset costly repairs and minimize disruptions to the instructional program. A \$198 million school bond was passed by the community in 2002, which is funding the renovation of 23 older schools and replacing the oldest school in the district. Planned renovations at each school will address inequity of learning facilities, expand core facilities, add classrooms and improve access to technology. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

School Facility Good Repair Status (School Year 2011-12)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

Teacher Misassignments and Vacant Teacher Positions

Indicator	2009-10	2010-11	2011-12
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

"Vacant Teacher Positions" refer to positions not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2010-11)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: <http://www.cde.ca.gov/nclb/sr/tq/>

Location of Classes	Percent of Classes In Core Academic Subjects Taught by	
	NCLB Compliant Teachers	Non-NCLB Compliant Teachers
This School	100	0
All Schools in District	99.29	0.71
High-Poverty Schools in District	100	0
Low-Poverty Schools in District	99.35	0.65

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2010-11)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor

Psychologist	.2	---
Social Worker		---
Nurse		---
Speech/Language/Hearing Specialist	.6	---
Resource Specialist (non-teaching)	1	---
Other		---

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2011-12)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: 10/1/2011

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Each pupil, including English learners, has a textbook or reading language arts material, or both, as required by the state of California. Appropriate materials and textbooks are available for each child to use in class and to take home to complete required homework assignments. All textbooks are aligned to the California Content Standards and approved for use by the State and the Poway Unified Board of Education.	No	0
Mathematics	Each pupil, including English learners, has a textbook or math material, or both, as required by the state of California. VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2009-10)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental/Restricted)	Expenditures Per Pupil (Basic/Unrestricted)	Average Teacher Salary
School Site	--	--	--	\$73,654
District	---	---	\$7,379	\$63,343
Percent Difference: School Site and District	---	---	--	16.3%
State	---	---	\$5,455	\$69,207
Percent Difference: School Site and State	---	---	--	6.4%

* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.
Basic/Unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Types of Services Funded (Fiscal Year 2010-11)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

The district's general fund includes monies for:

1. General operations—services, materials, and support to the general education
2. Special education—programs offering appropriate, individualized education to students with special needs
3. Gifted and Talented Education—specialized learning assistance for students with high ability, achievement, or potential
4. Special projects—monies from agencies (e.g., federal, state) earmarked for specific services
5. Transportation
6. Maintenance and operations
7. District administration

Each school in the district receives an instructional budget based on enrollment, programs, and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies.

Teacher and Administrative Salaries (Fiscal Year 2009-10)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$37,960	\$42,017
Mid-Range Teacher Salary	\$73,570	\$67,294
Highest Teacher Salary	\$84,960	\$86,776
Average Principal Salary (Elementary)	\$115,784	\$108,534
Average Principal Salary (Middle)	\$122,284	\$112,893
Average Principal Salary (High)	\$129,238	\$123,331
Superintendent Salary	\$253,280	\$226,417
Percent of Budget for Teacher Salaries	43%	38%
Percent of Budget for Administrative Salaries	5%	5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>.

IX. Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

Standardized Testing and Reporting Results for All Students - Three-Year Comparison

California Physical Fitness Test Results (School Year 2010-11)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at <http://www.cde.ca.gov/ta/tg/pf/>.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	10.8	43.4	34.9

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2008	2009	2010
Statewide	10	10	10
Similar Schools	10	8	8

Academic Performance Index Growth by Student Group - Three-Year Comparison

Group	Actual API Change		
	2008-09	2009-10	2010-11

Students with Disabilities	3		

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Academic Performance Index Growth by Student Group - 2011 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2011 Growth API at the school, LEA, and state level.

Group	2011 Growth API

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state’s standards-based assessments in ELA and mathematics
- Percent proficient on the state’s standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) webpage at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2010-11)

AYP Criteria	School	District
Made AYP Overall	Yes	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	Yes	No
Met Percent Proficient: Mathematics	Yes	No
Met API Criteria	Yes	Yes
Met Graduation Rate (if applicable)	N/A	Yes

Federal Intervention Program (School Year 2011-12)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance data reporting, etc.)?

Research supports the positive effects professional development has on increasing student learning. All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies, implementing the use of computer technology in teaching and learning, critical reading, writing and mathematics strategies, effective use of assessments, positive discipline in-services, and multicultural training. Teachers and administrators are actively involved in professional development activities at the school, district, state, and national level. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status.
