

# School Accountability Report Card

## Reported Using Data from the 2010-11 School Year

### Published During 2011-12

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

## I. Data and Access

### EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## **School Description and Mission Statement (School Year 2010-11)**

This section provides information about the school, its programs and its goals.

---

### **Mission and Vision Statement**

Our mission is to ensure all of our students develop a love of learning and become highly successful in school, society, and the work place. Through close collaboration, and in partnership with our families and community, we will provide challenging, real life learning opportunities to prepare our students for success in a diverse society and ever-changing world. We will model what we expect so our children become:

- Self-Directed Learners
- Collaborative Team Members
- Clear Communicators
- Constructive Thinkers and Problem Solvers
- Effective Users of Tools and Technology
- Responsible Members of Society

It is our vision that Deer Canyon becomes a school where all students have the individual support, encouragement and opportunity they need to achieve academically at very high levels and to develop the personal habits and values which will allow them to be successful both in school and as productive members of our society.

### **School Description**

Deer Canyon Elementary School, which opened in 1990, is located in the southwestern portion of the Poway Unified School District in the community of Rancho Penasquitos in the city of San Diego. The school is a three-time recipient of the California Distinguished School Award; 1993, 1997, and 2000. Our 2005 application for Distinguished Schools status received honorable mention. Pre-school through grade 5 students are ethnically diverse yet similar in socioeconomic status. The student population is 42% Caucasian, 36% Asian, 12% Filipino, 8% Hispanic, 2% African American, and 1% other racial ethnic groups. 20% of the students are learning English as a second language and 7% qualify for the free or reduced lunch program.

Deer Canyon is a neighborhood school, with virtually all of our students coming from the immediate community. No buses are needed to serve our regular education students, thanks in part to the school's quiet residential setting.

The teachers and support staff at Deer Canyon believe that a strong academic focus supported by a positive and caring learning environment is essential to student success. A strong emphasis is placed on providing a safe, attractive environment for students and staff. Equally important is the emphasis here on developing the whole child through early mental health programs, character development and service learning opportunities. The school climate is truly peaceful with student rights and school rules maintained campus wide.

Deer Canyon's parent volunteer program enhances both instruction in the classroom and the school's special events. PTA efforts help the school provide assembly programs, parent education workshops, Partners in Print, study trips and library books. The DCES Foundation which works hand in hand with the PTA helps fund special programs in the areas of: music, PE, technology, art, and science.

Our school meets the needs of all of our students through many special programs including English Language Learners (ELL), Gifted and Talented Education (GATE), Speech and Language, Special Education, a Parent Participation Preschool, Primary Interaction Program (PIP), Extended Student Services (ESS) and an Extended Day Program. Deer Canyon is also the home of an Autism Spectrum Disorder program, serving children from pre-school through grade 3 in four Special Day Classes. These forty-eight children receive all of their support services here and they have many opportunities to participate with typical peers in all aspects of school life.

### **Opportunities for Parental Involvement (School Year 2010-11)**

This section provides information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement.

---

Deer Canyon recognizes the importance of the partnership between home and school and is committed to supporting the Parents As Partners Core Value. Parents are active members of our school community supporting the school improvement process and serving in a number of capacities including School and Library Improvement Program, Gifted and Talented Education, English Language Learners, PTA and the Deer Canyon Foundation. Parent volunteers work in a variety of capacities such as: Volunteer Workroom, Book Fairs, Jog-A-Thon, Classroom Support, Mentoring, and Technology Support.

## III. School Climate

### School Safety Plan (School Year 2010-11)

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

Deer Canyon places strong emphasis on the safety of students and staff. The School Site Safety Committee meets as needed to review and make recommendations about safety at our school. Our emergency plans are reviewed frequently and revised annually. Drills are held monthly to review procedures for fire, earthquake, lock down and other potential disasters. Two disaster preparedness drills and a bus evacuation drill are held annually. The school has an up to date Asbestos Plan, School Safety Plan and Disaster Preparedness Plan. Maintenance staff work with a scheduled preventive program to offset costly repairs to our site.

### Suspensions and Expulsions

Rate	School			District		
	2008-09	2009-10	2010-11	2008-09	2009-10	2010-11
<b>Suspensions</b>	0.18	0	0	2.97	3.06	3.08
<b>Expulsions</b>	0	0	0	0	0.09	0.26

\* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

## IV. School Facilities

### School Facility Conditions and Planned Improvements (School Year 2011-12)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

---

**Year and month in which data were collected:** 6/20/2011

The school district ensures that students attend clean and safe facilities. The district's maintenance staff follows a comprehensive scheduled preventive and deferred maintenance program to offset costly repairs and minimize disruptions to the instructional program. A \$198 million school bond was passed by the community in 2002, which is funding the renovation of 23 older schools and replacing the oldest school in the district. Planned renovations at each school will address inequity of learning facilities, expand core facilities, add classrooms and improve access to technology. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

### School Facility Good Repair Status (School Year 2011-12)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

## V. Teachers

### Teacher Credentials

Teachers	School			District
	2008-09	2009-10	2010-11	2010-11
With Full Credential	30	21	26	1363
Without Full Credential	0	0	0	21
Teaching Outside Subject Area of Competence	0	0	0	---

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2009-10	2010-11	2011-12
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

\* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

"Vacant Teacher Positions" refer to positions not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester.

### Core Academic Classes Taught by Highly Qualified Teachers (School Year 2010-11)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: <http://www.cde.ca.gov/nclb/sr/tq/>

Location of Classes	Percent of Classes In Core Academic Subjects Taught by	
	NCLB Compliant Teachers	Non-NCLB Compliant Teachers
This School	100	0
All Schools in District	99.29	0.71
High-Poverty Schools in District	100	0
Low-Poverty Schools in District	99.35	0.65

\* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

## VI. Support Staff

### Academic Counselors and Other Support Staff (School Year 2010-11)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor		
Counselor (Social/Behavioral or Career Development)		---
Library Media Teacher (Librarian)		---
Library Media Services Staff (paraprofessional)	.5	---
Psychologist	.8	---
Social Worker		---
Nurse		---
Speech/Language/Hearing Specialist	2	---
Resource Specialist (non-teaching)	1	---
Other		---

\* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

## VII. Curriculum and Instructional Materials

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2011-12)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

**Year and month in which data were collected:** 10/1/2011

Deer Canyon Elementary School provides a comprehensive standards-based instructional program designed to support each child in reaching his/her academic potential. Deer Canyon's learning community works in partnership with our families and community to provide our students with a challenging and enriching education that helps students develop a love of learning and become highly successful in school, society, and the work place, through real life learning opportunities to prepare our students for success in a diverse society and ever changing world. The instructional program, developed by teams of grade-level teachers, is designed to ensure students are equipped with the knowledge and skills required for proficiency in California Content Standards. To this end, grade level professional learning communities use their working knowledge of the standards to write personal/team objectives and direct instructional practices. Formative and summative assessments, aligned to the content standards, are created to gain information on students' individual needs. Results of both teacher-created formative and summative assessments as well as District benchmark assessments are used to guide classroom instruction, adjust pacing and differentiate the educational program to meet the needs of all students. Standards-based textbooks and instructional materials are regularly supplied through the Poway Unified School District to meet the needs of all students. The purchasing of textbooks is centralized through Learning Support Services ensuring every student has current textbooks for all curricular areas aligned to the California content standards and ELD standards, as needed. The Avenues program for ELD students was recently adopted by the District and all Deer Canyon staff members have been trained on its use. Deer Canyon also purchases supplemental instructional materials aligned to the standards from site, district and categorical funds (i.e. School Improvement, GATE) as well as PTA and Foundation donations.

## VIII. School Finances

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2009-10)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental/ Restricted)	Expenditures Per Pupil (Basic/ Unrestricted)	Average Teacher Salary
School Site	--	--	--	\$65,727
District	---	---	\$7,379	\$63,343
Percent Difference: School Site and District	---	---	--	3.8%
State	---	---	\$5,455	\$69,207
Percent Difference: School Site and State	---	---	--	-5%

\* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

**Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

### Types of Services Funded (Fiscal Year 2010-11)

This section provides specific information about the types of programs and services available at the school that support and assists students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

The district's general fund includes monies for:

1. General operations—services, materials, and support to the general education
2. Special education—programs offering appropriate, individualized education to students with special needs
3. Gifted and Talented Education—specialized learning assistance for students with high ability, achievement, or potential
4. Special projects—monies from agencies (e.g., federal, state) earmarked for specific services
5. Transportation
6. Maintenance and operations
7. District administration

Each school in the district receives an instructional budget based on enrollment, programs, and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies.

### Teacher and Administrative Salaries (Fiscal Year 2009-10)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$37,960	\$42,017
Mid-Range Teacher Salary	\$73,570	\$67,294
Highest Teacher Salary	\$84,960	\$86,776
Average Principal Salary (Elementary)	\$115,784	\$108,534
Average Principal Salary (Middle)	\$122,284	\$112,893
Average Principal Salary (High)	\$129,238	\$123,331
Superintendent Salary	\$253,280	\$226,417
Percent of Budget for Teacher Salaries	43%	38%
Percent of Budget for Administrative Salaries	5%	5%

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>.

## IX. Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

### Standardized Testing and Reporting Results for All Students - Three-Year Comparison

Subject	School			District			State		
	2008-09	2009-10	2010-11	2008-09	2009-10	2010-11	2008-09	2009-10	2010-11

History-Social Science	N/A	N/A	N/A	69	68	71	41	44	48

\* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### Standardized Testing and Reporting Results by Student Group - Most Recent Year

Group	Percent of Students Scoring at Proficient or Advanced			
	English-Language Arts	Mathematics	Science	History-Social Science

\* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### California Physical Fitness Test Results (School Year 2010-11)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at <http://www.cde.ca.gov/ta/tg/pf/>.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	35.6	28.8	17.3

\* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## X. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at <http://www.cde.ca.gov/ta/ac/ap/>.

### Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2008	2009	2010
Statewide	10	10	10
Similar Schools	10	9	6

### Academic Performance Index Growth by Student Group - Three-Year Comparison

Group	Actual API Change		
	2008-09	2009-10	2010-11
All Students at the School	9	-2	2
Black or African American			
American Indian or Alaska Native			
Asian	17	-1	0

Hispanic or Latino			
Native Hawaiian/Pacific Islander			
White	10	-7	0
Two or More Races	N/D		
Socioeconomically Disadvantaged			
English Learners		10	-3
Students with Disabilities			

\* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

### Academic Performance Index Growth by Student Group - 2011 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2011 Growth API at the school, LEA, and state level.

Group	2011 Growth API

### Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) webpage at <http://www.cde.ca.gov/ta/ac/ay/>.

### Adequate Yearly Progress Overall and by Criteria (School Year 2010-11)

AYP Criteria	School	District

### Federal Intervention Program (School Year 2011-12)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

### Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance data reporting, etc.)?

Research supports the positive effects professional development has on increasing student learning. All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies, implementing the use of computer technology in teaching and learning, critical reading, writing and mathematics strategies, effective use of assessments, positive discipline in-services, and multicultural training. Teachers and administrators are actively involved in professional development activities at the school, district, state, and national level. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status.
