

Students on the Net and in the News

My classroom website <http://powayusd.sdcoe.k12.ca.us/teachers/hmarks/> is all set to go this year. Once again students will be able to have his/her own web page on this site, with your permission. I will need your permission to include your child's photo on his/her own page as well as the classroom site itself. No names will be used on the website. Your child will be given a number. Please indicate your preferences and sign the attached permission and return it as soon as possible. We're anxious to get started. Our site is best viewed using Internet Explorer as your browser.

Students will also be creating videos this year to enhance their learning. Some videos may be posted on our classroom web site for parent or public viewing. We will need permission for this also. Additionally, there may be times when Adobe Bluffs School will have the opportunity for newspaper, or television coverage for special and exciting activities happening here. Your permission is also necessary for your child's photo and/or name (first and last) to be included in these instances.

Please read the permission statements below and indicate your preferences for EACH statement, sign, and return to me.

Thank you for your support,
Havena Marks (ABES)
