Because there may be hazardous streets between the child's home and the nearest active school bus stop, **it must be understood by parents choosing to access such a school bus stop that they assume the full responsibility of providing a safe means of transportation to and from the assigned school bus stop.** The Poway Unified School District transportation fee structure is applicable. In the event that a District school bus reaches maximum capacity, students whose transportation needs cannot be accommodated will be reimbursed applying the standard District reimbursement of fees schedule and after appropriate notice to parent/guardian is provided.

Middle and High school students who possess a current pass, correct fare, or single-ride ticket, will also be eligible to ride the late afternoon or after-school activity buses at each location by presenting their current pass, fare, or single-ride ticket, however not every bus stop is serviced by the activity buses. High school students may ride any regular bus that services their school.

Lost or stolen passes will be replaced upon the payment of a \$10.00 service charge and after prior pass purchase has been verified. GENERAL INFORMATION

WHICH BUS TO BOARD

Ride only the bus to which you have been assigned. Riding an unassigned bus, boarding or leaving a bus at an unassigned stop may only be done by presenting the driver with dated written permission from the parent and endorsed by a school official. Students must be at the bus stop no more than five minutes before departure time. High school students may ride any bus that services their school.

LEAVING THE BUS AFTER BOARDING AT A SCHOOL SITE

Once a student has boarded the school bus at a school site, he or she may not leave the bus unless escorted by a school official.

SCHOOL BUS DEPARTURES

For the safety of all students and to avoid children chasing after a moving bus, once a school bus has departed from the curb at either the school site or bus stop, the driver is not permitted to stop the bus to board late students.

WHEN THE BUS DOES NOT SHOW UP ON TIME

If you are reasonably sure that the delay is not due to weather conditions, please allow at least 15 minutes before leaving the bus stop. School buses have to endure the same rush hour traffic conditions that plague commuters. A traffic snarl, traffic accident, minimum days, or a longer than scheduled loading at a previous school bus stop can easily throw your bus 10-15 minutes off schedule.

- On extremely foggy or rainy days the buses will run late.

- If at the end of 15 minutes, your bus still has not arrived, you may wish to call the Transportation Department at (858) 679-2535. Please be patient and don't worry; the school will be notified of the late arrival.

MUST BE MET/KINDERGARTEN STUDENT

If you desire your kindergarten student not to be released at the bus stop unless an adult is there to receive them, a letter **MUST** be on file in the Transportation Department so stating. If, once a letter is on file, your child is not met, the driver will return your child to school.

TWO-WAY COMMUNICATION

For student safety and route control each bus is equipped with a two-way radio. The Transportation Department is in constant communication with each bus on its scheduled runs.

If there is a problem such as a late bus or perhaps a student riding the wrong bus, the Transportation Department will be able to contact the bus and make the necessary corrections.

LOST ITEMS ON BUSES

If a driver finds a lost item on a bus, they will attempt to return the item to the student the next school day as we do not have a Lost & Found. However, wallets, cell phones, musical instruments and purses will be turned in to the Transportation office.

FIELD TRIPS

General rules of conduct applicable to regular home to school/school to home transportation also apply to educational, athletic, and other trips. A faculty member or parent is required on each bus for each field trip.

ATHLETIC BUS TRIPS

Conduct and behavior are to remain the same as on a home to school/school to home ride. While teachers and chaperones are expected to maintain appropriate conduct of the students, the bus driver is the ultimate authority aboard the bus at all times.

Regardless of materials, cleats will not be allowed aboard buses and must be replaced with appropriate foot coverings.

No food, drinks, gum, candy, sunflower seeds, etc. are to be brought aboard the buses. Food items may be loaded in the baggage compartment, if your bus is so equipped.

Dangerous objects such as starting guns, shot puts and other loose projectiles will only be transported if the items can be safely stored either in a baggage area or stowed within a seating compartment. Other equipment must be loaded so as not to protrude into exit areas, aisle or step well of the bus. Items cannot be transported in the aisles or be carried where they could block an emergency exit.

BUS DISCIPLINE PROCEDURES (Excerpt from Administrative Procedure 6.51.3)

Violation of the posted rules and regulations may result in the loss of bus riding privileges. A student who rides the bus in the Poway Unified School District is disciplined in accordance with the statutes of the State of California and will be subject to disciplinary actions for violation of any of the rules of student discipline in the Poway Unified School District, as outlined in Board Policies and Administrative Procedures 5.8 and 5.9.

Disciplinarians shall normally apply progressive discipline procedures with:

1. The first offense, a warning;
2. The second offense, five school days of bus-riding suspension;
3. The third offense, ten school days of bus-riding suspension;
4. The fourth offense, forty school days of bus-riding suspension;
5. The fifth offense, suspension from the bus for the remainder of the school year.

However, disciplinarians shall have the latitude to increase or decrease the normal corrective measure, within reason, considering the student's age, frequency and severity of offense, and other patterns of behavior. In cases where the disciplinarian determines that the student's behavior causes a danger to persons or property, the student may be immediately suspended from ridership.

BUS PASS VIOLATIONS (Excerpt from Administrative Procedure 6.56.2)

The following standards of progressive actions regarding abuse/misuse of school bus ridership authorization are established, and are separate from other disciplinary measures:

1. Using, or attempting to use, an expired pass:
 - a. First Offense: A warning referral shall be issued.
 - b. Second Offense: Bus privileges shall be suspended for one week.
 - c. Third Offense: Bus privileges shall be suspended for two weeks.
 - d. Fourth Offense: Bus privileges shall be suspended for the remainder of the school year.
2. Using, or attempting to use, a stolen, found or forged pass, a fake single-ride ticket; borrowing a bus pass, or altering one's own temporary or permanent pass:
 - a. First Offense: A warning referral shall be issued.
 - b. Second Offense: Bus privileges shall be suspended for two weeks.
 - c. Third Offense: Bus privileges shall be suspended for the remainder of the school year.
3. Loaning a bus pass:
 - a. First Offense: The pass will be confiscated and retained in the Transportation Office until a parent and the student make an appointment to reclaim the pass and a warning referral shall be issued.
 - b. Second Offense: A prorated refund will be issued to the parent and bus riding privileges shall be suspended for the remainder of the school year.

Possession of any pass, not the property of the possessor, shall constitute prima facie evidence of improper possession. Use or attempt to use the pass, shall be reason to exercise disciplinary measures as in paragraph 2 or 3 above.

VIDEO CAMERAS

Most of our school buses are equipped with video cameras to record student behavior. District Administrative Procedure 6.51.10 outlines how these cameras will be used.

STUDENT SAFETY AROUND THE SCHOOL BUS

Please review the following safety diagram and the safety rules on the back of this page with your child so that he or she is aware of the dangerous blind spots around a school bus, how to walk safely to the school bus stop and how to safely cross the street with the assistance of the school bus driver.

PEDESTRIAN SAFETY RULES

1. Cross only at street corners so drivers can see you.
2. Always use a crosswalk when available, but make sure the traffic sees you and has stopped before stepping off the curb.
3. At intersections with traffic signals, use the push button when possible and cross when the “walk” signal is displayed.
4. Look in all directions for cars, pedestrians and bicycles before crossing.
5. While crossing, watch for cars that are turning left or right who may not see you.
6. Never cross the street from between parked cars; drivers can't see you.
7. Walk on the sidewalk, or if there are no sidewalks, on the left side of the road facing traffic so you can see oncoming traffic.
8. Wear or carry something white at night to help drivers see you.
9. Always walk in an orderly manner and avoid running, pushing and playing near streets and vehicles.

ESCORTED CROSSOVER INSTRUCTIONS FOR KINDERGARTEN TO 12TH GRADE

1. Wait until instructed by the school bus driver that it is safe to cross.
2. When directed by the school bus driver, students must cross between the bus and the school bus driver directly to the opposite side of the street.
3. Students must also be escorted across the street in the morning if they arrive at the stop after the bus has arrived. The student (or students) must wait until all other students have boarded the bus and the driver can properly shut down the vehicle to do the escorted crossover.
